Which Adam Shulman is doing the producing? People there are two of them in the entertainment industry. Adam Shulman the reknown movie producer, that was never filmed stealing art, and is not married to Anne Hathaway. Then there is Adam Shulman a famous jazz muscician who never ran down a bike rider, and is not married to Anne Hathaway. Last there is the Adam Shulman who is married to Anne Hathaway, I guess he is best known as frequency for public intoxication with legal and other substances.
