Chris Pine

Chris Pine, Amanda Seyfried, and Chiwetel Ejiofor are starring in *Z For Zachariah*, a post-apocalyptic feature that will be directed by **Craig Zobel**.

Tobey Maguire is producing via his Material Pictures banner along with the company's senior vp **Matthew Plouffe**. Zik Zak Filmworks' **Skuli Malmquist**, **Thor Sigurjonsson** and Palomar Pictures' **Joni Sighvatsson** are also producing.

Bannatyne are executive producing, along with Silver Reel's **Claudia Bluemhuber** and Lotus Entertainment's **Jim Seibel** and **Bill Johnson**.

Lotus is selling international territories at Cannes. CAA arranged financing for the project, and CAA and WME will co-represent domestic rights.

complicating matters.

An August shoot is being planned.

Nissar Modi wrote the script, an adaptation of **Robert C. O'Brien's** classic science fiction novel.

Gary Ross and Lucky Hat Entertainment's **Stephen**

The book was not a love story. It was controversial because the scientist arrives and eventually attempts to rape the girl. Stupid Hollywood at it again.

This type of movie was done in the 50's. Its called "The World, The Flesh, and the Devil." and the movie "The Silent Earth". Also this movie differs from the book. Another good book doomed by PC crap before it even begins.
